SUMMARY

A full-stack web developer with international work experience who manages a vineyard part-time. I am a natural leader with a fun and easy-going personality who enjoys challenges and loves to learn. I am excited and eager to join the tech industry and bring my skills to the table. With a passion for creating innovative solutions, I am constantly striving to improve my abilities and take on new challenges.

PROJECT HIGHLIGHTS

PMS SUCCESS
A web application to track premenstrual cycle, period and mood.

HERD.
A web application to track cattle.

WORK EXPERIENCE

SALES & HOSPITALITY ASSOCIATE
Serial Wines & Ancient Peaks Winery
2021-2023
- Supervisor role with file management responsibilities.
- Assist with data and software management.
- Lead in sales taking an analytical approach to hospitality.

ENGLISH TEACHER
Self-Employed
2016-2021
- I lived in Spain for five years teaching English as a second language to all ages. I also ran a surf and English camp in the summers.
- Learned Spanish through immersion. Light knowledge of Basque, Dutch and French.

LITIGATION PARALEGAL
O'Melveny & Myers, LLP
2013-2016
- Intellectual Property litigation paralegal. Worked on cases for top tech companies.
- Used CLI to expedite file naming processes.
- Trial experience.
